

Erath Oregon Pinot Gris

ERATH

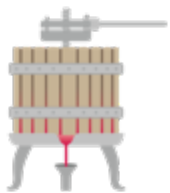

- This Pinot Gris shows purity of fruit, balance and wonderful acidity in an unadulterated “no wood, no malolactic” style
- Erath’s 20 years of experience producing this variety have allowed Gary and the team to determine which of the cooler sites are best for our Pinot Gris

Vineyard

- Primarily sourced from the Southern Oregon (Umpqua Valley) vineyard adds apricot and tropical stone fruit flavors
- Fruit from Northern Willamette Valley vineyards at various elevations which impart citrus and pear flavors

Winemaking

- Fermented in stainless-steel retains the brightness of fruit
- A portion of the final blend is aged in tank on the lees to add richness and aromatic sweetness

Ageing

- Ageing was all in stainless-steel to preserve the freshness
