

# Chateau Ste Michelle Indian Wells Cabernet Sauvignon Columbia Valley AVA

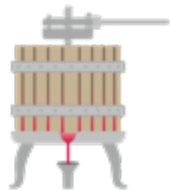

- A “New World” style wine with fruit sourced warmer sites in the Columbia Valley
- Includes fruit from the renown Cold Creek estate vineyard, one of the oldest vineyards in the Columbia Valley and the Original Indian Wells Vineyard
- Offers a trade-up opportunity from Washington’s #1 brand

## Vineyard

- These warmer sites create our jammy "New World" style of darker black fruit flavors and softer acidity
- Vineyards sourced include the Cold Creek Estate, the original Indian Wells and other sites in the Wahluke Slope and Horse Heaven Hills AVAs

## Winemaking

- Fruit from each vineyard is fermented in different fermenters (oak, concrete and stainless-steel) with different yeast to create layers of complexity, unmatched at this price
- The blend is Cabernet Sauvignon with Syrah being usually between 10-15%

## Ageing

- Each year 80,000 barrels from over 75 coopers in different sizes, ages and toasts levels create un-matched complexity
- Ageing average between 16 to 22 months determined by constant tasting as the blend develops in barrel
