REAL

INFUSED EXOTICS®

Flavorful

- Premium syrups infused with fruit from the world's premier growing regions
- 100% cane sugar
- Gentle processing leads to high flavor impact with no cooked notes
- Highly concentrated fruit levels drive flavor intensity
- Built-in oxygen barrier to guarantee product freshness

Mixable

- Mixology Minded
 - Perfect for bellinis, Italian sodas, beer cocktails, alcohol-free drinks and frozen or shaken daiquiris and colodas
 - Dissolves easily in a large variety of beverage applications
 - Ideally suited for craft cocktails
 - Bartender-friendly packaging
- Excellent in culinary applications such as baking and desserts
- Perfect for experimenting with molecular gastronomy concepts like fruit foam or caviar

Squeezable

- **Real Infused Exotics** offer a wide-mouth squeeze bottle with an exclusive, customized dispensing closure
- Top end bars and mixologists have embraced the ease and convenience of squeeze bottles in recent years
- The wide-mouth bottle opening helps to eliminate waste by allowing easy access with a bar spoon or spatula
- The volcano-shaped spout on every closure dispenses product drip-free with no mess
