#### GINGER

Q Ginger Beer has a strong ginger punch and is very spicy. That's because we use real ginger, and lots of it.

#### HIBISCUS

The pizzazz in Q Hibiscus Ginger beer comes from bright pink hibiscus flowers and tart rose hips.

#### EXTRA CARBONATION

A drink stays fizzier longer when it starts with more carbonation. So we pack in as much carbonation as possible, even if it requires running our production line more slowly.
